

Director FCS&CA inspects Kathua mills

TNN REPORT

KATHUA: Amit Sharma, Director Food, Civil Supplies and Consumer Affairs, Jammu on Saturday made a comprehensive tour of Kathua district wherein functioning of various Atta Grinding Mills in the district were inspected and directions were given to improve their functioning.

He was accompanied with Assistant Director Kathua T.P Singh, supervisors and other officials of the department.

During this surprise inspection visit, Director Amit Sharma checked the quality of PDS ration being processed in these mills while directing them to keep separate storage and godowns for PDS supplies. Largely, the functioning of mills in Kathua was found in order except for few discrepancies for which AD, Kathua assured im-

mediate remedial measures for correction. The major mills of Kathua wherein inspections were conducted by Amit Sharma, Director FCS&CA Jammu were Saraswati Flour Mill located near Palli Morh, Amrit Flour Mill located at Nihalpur and Shiva Flour Mill located at College Road, Kathua. All the Millers were present and they committed to improve the functioning in terms of working, proper weight of all bags, moisture maintenance and even proper percentage of bran

in Atta.

Director FCS&CA Amit Sharma also took a review of functioning of department in Kathua in which AD Kathua mentioned about filling up vacant posts, provision of a store at the earliest in Kathua and conduct of an administrative inspection here in near future.

Amit Sharma took prompt action and talked to DC Kathua Rohit Khajuria who assured towards provision of a land soon on National Highway for construction of Food Store Kathua wherein movement of heavy vehicles would be convenient.

At the culmination of the trip, Director Amit Sharma appreciated the working of FCS&CA department in Kathua and assured the team of department that all their genuine issues would be redressed soon and also taken up with Administrative department.
