

## Amit assesses ePOS working during Ramgarh-Samba tour

### JL NEWS SERVICE

**SAMBA NOV 24:** Amit Sharma, Director Food, Civil Supplies & Consumer Affairs Jammu Division today conducted a surprise tour of district Samba especially Ramgarh, a border township, wherein, special emphasis was on performance and usage of electronic Point-of-Sales Machines in various Fair Price Shops located in different villages and areas of the district. He was accompanied with Kulraj Singh, Deputy Director Food & Rationing, Devinder Singh Bilowria, Assistant Director Samba, Yashwant Kumar, Manager M/s Linkwell Systems (POS Machines providers), TSOs and other officials of FCS&CA department.

Director FCS&CA Amit Sharma conducted this tour primarily to assess implementation of online Aadhaar Authentication as Samba is one of the leading districts in Aadhaar Seeding amongst all districts of Jammu division wherein it has crossed 85%. During the checking,

Director himself pointed out few challenges while operating ePOS devices and directed the Service providers to improve functioning and carry-out necessary exercises to ensure its smooth functioning. However, during the random checking especially with technically specialised team of M/s Linkwell, it was discovered that still, lot of FPS shops are working on offline rather than online mode for feeding of transactions but Director Amit

Sharma issued spot directions to his team to point out major reasons for same and take immediate necessary corrective measures to ensure total implementation of real-time Aadhaar authentication mode for issuance of ration tickets to the beneficiaries in future.

Director FCS&CA Amit Sharma further directed the heads of M/s Linkwell Systems to send their teams immediately in all the districts of

Jammu division to familiarise the departmental officials and FPS owners about 100% usage of ePOS Machines through online Aadhaar Authentication which is the basic purpose and focus of ePDS and Supply Chain Management System.

During the visit, it was informed by the concerned AD to Director FCS&CA Amit Sharma that ration supplies and K.Oil supplies were adequate in all the border areas of the district including far-flung locations and there is total emphasis on ensuring same in all FPS and Stores of the department located in Samba district.

Director Amit Sharma informed out that the streak of such surprise checks and tours will continue at the highest level in future and FCS&CA department must keep functioning around the clock in upcoming winter months so that adequate and uninterrupted ration and essential commodity supplies under NFSI must reach to the deserving beneficiaries and any kind of deviation in this behalf would not be tolerated by the Government.
