

Director F,CS&CA visits Jammu Central Store, orders physical verification

■ STATE TIMES NEWS

JAMMU: Amit Sharma, Director, Food, Civil Supplies & Consumer Affairs (FCS&CA) Jammu made a surprise visit to Central Store Jammu to check the level of storage, stacking, disbursement and condition of Rice, Atta and Sugar in different godowns and ordered to conduct a detailed physical verification of stocks in all Jammu Stores to be conducted in a span of one month by a team headed by Joint Director of the department.

Director, FCS&CA Jammu was accompanied by two Deputy Directors Kulraj Singh and J.S Jasrotia apart from AD, Trade & Stores, Joginder, who replied to various points raised by him.

Amit specifically expressed his concern that this central store must have proper renovation in few areas where there was water seepage which caused direct risk of damage to stored stocks.

Amit also directed concerned officials to make sufficient arrangement to control menace of rodents, rats and seasonal insects which create threat of health hazards and wastage of stored materials. During inter-

action with labourers and staff, he pointed out that there should be proper hygienic conditions and clean water availability for labourers working in Central and other stores of the department and concerned staff should take adequate measures for ensuring same.

The staff at central store also showed a faulty Weighing Scale Machine (Kanda) which was troubling in daily passage of truck-load materials from godowns of the central store for which Director F,CS&CA decided to go for replacement in

near future and usage of available PWD Weight Machine (Kanda) within the same complex as a stop-gap arrangement so as to continue uninterrupted movement of ration supplies.

Before concluding the visit, Director Amit Sharma directed to get fresh repairs and renovations estimates for existing F,CS&CA stores so that immediate repairs could be carried out in near future for safe and secure upkeep of ration supplies material in Stores of the department. He emphasised on bringing sys-

Director orders inquiry into 5,100 qtl ration shortage

■ STATE TIMES NEWS

JAMMU: Director Food Civil Supplies and Consumer Affairs Jammu Amit Sharma has ordered inquiry into the allegations of 5,100 Qtl ration shortage in Rajouri store.

"Following the complaints, the Assistant Director Rajouri was asked to file report who has clarified that there is shortage," said Director Amit Sharma, adding "However, to get the complaints verified, I have ordered an inquiry to re-verify the ration stocks in Rajouri store."

temic changes with usage of technology like web cams, GPS tracking, Aadhaar based ePDS and supply chain management system to streamline the working of the department.
